

Day 3 GAME IDEA: **BOLD BOPS**

In this game, you might have to take some bold dives for a ball. Feeling bold?

WHAT YOU NEED:

- 2 beach balls or balloons
- Music (The songs from Rocky Railway are an awesome choice!)

HOW TO PLAY:

- Have participants stand in a circle, and hand someone a ball.
- When you start the music to cue the start of the game, the person with the ball tosses it into the air to begin the first round.
- After the first toss, participants work together to bop the ball (like a bump-pass in volleyball) into the air without letting it fall to the ground.
- Have everyone count each time the ball is bopped into the air. If the ball falls, start the count over at one.
- Challenge each other to get 20 or more successful bops or simply keep improving their score from round to round.

WRAP-UP QUESTIONS: BOLD BOPS

1. *What are some bold moves we made as we played?*
2. *How did encouraging words from each other help you be bold?*

Say: Being bold can be hard all on our own, but teamwork and encouraging friends can make it easier. Jesus can help us through the encouraging words of others. It's just one way Jesus' power helps us be bold. (Trust Jesus!)
