Homeschool Science Class – has changed the meeting time to Wednesday afternoon at 1:00pm. The homeschool science class is for pre-K through early-elementary students and their parents. Email the church office with any questions.

Cash-for-Trash is the recycling program on the first Sabbath of each month, when Lander’s Recycling brings a trailer to put in our old scrap metal for recycling. The proceeds go to the building fund. Here are some suggestions: aluminum beverage cans (empty and **not** crushed), old pots and pans, fans, light fixtures, metal picture frames, copper pipe or wire, anything brass. Items **not** accepted are: glass jars or plastic bottles, TV’s, plastic electronics. Contact Valarie Prusia if you have larger items, like washers or dryers, for ideas on how you can get them to Lander’s Recycling. Since we started the Cash-for-Trash program in 2009, our trash has raised \$28,701.65!!
